

Come work with us!

4-month Instructors

The 4-month Instructor will work full-time alongside the Director, Assistant Director and other 4-month staff. Their role will be to organize materials and resources, curriculum development and teaching curriculum. The summer camps will start in July and run through August. In addition to curriculum development and teaching, instructors will work to problem-solve student behavior issues, develop the magic show, and fully engage with campers during break and lunchtime activities.

May and June will involve running workshops in elementary schools and weeklong travel camps in local communities could be involved.
